Ceado Barcult Technologies.

Motor cooling system

Total cost of ownership is at the center of what we do. The **patented cooling system** will protect your professional tools and keep them running for long, hassle free.

*Ceado pensa ai prodotti partendo dal prezzo d'acquisto, con l'obiettivo di ridurre anche i costi di gestione durante il ciclo di vita. Il nostro **sistema di raffreddamento brevettato** protegge le tue attrezzature facendole durare più a lungo e senza problemi.*

Double Whisk Kit

The first agitator consists of a **double whisk** and is suitable for ice-cream based preparations. The second agitator consists of a **single whisk** and is suitable for mixing milk or preparing iced shaken coffee.

*Il primo agitatore è costituito da una **doppia ventola** ed è indicato per le preparazioni a base di gelato. Il secondo agitatore è formato da una **ventola singola** ed è indicato per miscelare latte o preparare caffè shakerati.*

Noise Reduction

Work at the bar has never been so quiet. Thanks to the design and engineering, Ceado products work so silently that you will not even realize they are in operation.

Lavorare al bar non è mai stato così silenzioso. Grazie al design e all'ingegneria, i prodotti Ceado lavorano in maniera talmente silenziosa che ti sembrerà di non averli accesi.

Juice Fit

Minimize waste

Meticulous attention has been paid to the **design**, to ensure **minimal waste and best performance**, for even the hardest to juice leafy vegetables.

*Una ricerca meticolosa nel **design** per **minimizzare gli sprechi garantendo la resa migliore** anche dall'estrazione del succo da vegetali in foglia.*

Make great profits with the Ceado #juicebusiness

Freshly squeezed juice generates more profit than bottled juice.

Il succo fresco genera più profitti rispetto al succo in bottiglia.

Fast Profits

Juices per day	Return on investment	Business target
10	8 weeks	Entry Level
20	4 weeks	Small Bar
30	2 weeks	Medium Juice Bar

By selling only 10 juices per day, your investment is recovered in just 8 weeks. In a medium Juice Bar with 30 juices per day, **you can start looking at its profits** in just about 2 weeks!

*Con solo 10 succhi al giorno rientri dall'investimento in appena 8 settimane. In un Juice Bar medio con 30 succhi al giorno, **puoi iniziare a realizzare profitti** in sole 2 settimane!*

Healthy Lifestyle

The market is looking more and more toward natural and healthy beverages. Ceado **Juice Fit** technology extracts the juice at low temperature, therefore preserving all natural vitamins.

*Il mercato richiede sempre più bevande naturali e salutari, la tecnologia **Juice Fit** di Ceado estrae il succo a bassa temperatura preservando tutte le vitamine naturali.*

EASY RECIPES!

The necessary **ingredients** are few and inexpensive, making it easy to mix them in order to produce lots of recipes.

*Gli **ingredienti** necessari sono pochi e poco costosi, rendendo facile mescolarli per produrre molte ricette.*

	Tonic 150gr Oranges , 200gr Apple , 200gr Carrots	=	  
	Classic 200gr Apple , 200gr Carrots , 2cm Ginger Root	=	  
	Zest 200gr Apple , 150gr Lemons , 200gr Leafy Greens	=	  
	Green 500gr Leafy Greens	=	
	Detox 200gr Apple , 200gr Carrots , 2cm Ginger Root , 100gr Leafy Greens	=	   

Fruit juices described here are the most requested and profitable, but with **Ceado Barcult Juicers**, many other recipes are available. We recommend using seasonal produce, locally grown.

*I succhi freschi descritti sono i più richiesti e redditizi, ma con i **Juicers Ceado Barcult** sono realizzabili tante altre ricette. Consigliamo i prodotti di stagione e a km zero.*
