

The peak of innovation just got higher

Tork PeakServe Automatic – designed for maximum reliability

Tork is raising the bar for automatic hand-towel dispensers with the launch of Tork PeakServe Automatic. Designed for maximum reliability, it offers the longest lasting battery life¹ – saving cleaners' time and providing a superior user experience.

Dispenses
3x
more towels
per battery set¹

Serves guests
in less than
a second

One set of
batteries
lasts for up to
five years²

1 Compared to the Kimberly-Clark Icon and Kimberly-Clark Professional Electronic Rolled Hand Towel Dispenser 9960 dispense 150,000 towels and the Katrin System Electronic Paper Towel Dispenser dispenses 100 rolls per battery set (78,000 25.4 cm towels). Tork PeakServe Automatic dispenses at least 500,000 paper hand towels per battery set using refill article 100585.
2 Based on refill consumption of two cases of refill article 100585 annually using alkaline batteries.

Redefining the standard for automatic hand-towel dispensers

Save maintenance time

- ✓ **Longest battery life¹**
- ✓ **Refill at any time** to save time – no need to wait until a roll is empty
- ✓ **The most intuitive** automatic hand-towel dispenser to use and refill³
