DESIGNED WITH PURPOSE Accessories Collection

Welcome to our accessories collection. Here you will find carefully selected products designed to complement RelaxSensation tables as well as conventional treatment tables.

From stools and knee bolsters to thoughtfully designed accessories for everyday practice, each product combines functionality, comfort and the same high quality standards as our treatment tables.

We hope you enjoy exploring our collection. Should you have any questions, our team will be happy to assist you.

TABLE ACCESSORIES

HEATING PAD PRO

Comforting warmth for our contoured tables.

LEATHER COLOURS: 

HEATING PAD UNIVERSAL

Comforting warmth for our tables with a straight lying surface as well as conventional treatment tables.

LEATHER COLOURS: 

HEATING PAD CONTROLLER

Replacement or additional controller for HEATING PAD PRO and UNIVERSAL.

PAPER ROLL HOLDER

Mounted at the foot end of the table.

INTERCHANGEABLE HEADREST

Upholstered insert without face opening featuring a simple plug-in system for quick and easy exchange. Retrofittable for tables delivered from January 2024 onwards.

BATTERY

Cordless operation throughout the day with convenient overnight charging.

LINAK HAND CONTROLLER

Additional control unit for convenient adjustment of all available positioning functions.

Available only when ordered with the table (not retrofit-table)

FOOT SWITCH

Convenient floor-based foot switch for height adjustment.

TABLE ACCESSORIES

ROUND BOLSTER (Ø 15 CM)

Classic bolster providing versatile support and stabilisation for a wide range of treatments.

LEATHER COLOURS:

3/4 BOLSTER (Ø 15 CM) – BESTSELLER

With a height of 10 cm, the 3/4 bolster offers an excellent balance of support and flexibility, making it especially popular among therapists.

LEATHER COLOURS:

HALF BOLSTER (Ø 15 CM)

With a height of 7.5 cm, this compact bolster is ideal for neck support and versatile positioning applications.

LEATHER COLOURS:

LARGE HALF BOLSTER (Ø 30 CM)

With a height of 15 cm, the large half bolster provides comfortable knee support in supine position, especially for tables without knee elevation.

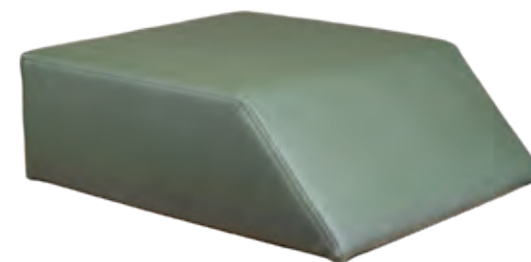

LEATHER COLOURS:

POSITIONING WEDGE

Versatile wedge for comfortable positioning and pressure relief during treatment. Particularly useful for tables without leg or knee elevation and well suited for lymphatic drainage treatments. Dimensions (L/W/H): approx. 60 × 50 × 20 cm
