ECOBLACK®
TECHNOLOGY

Recycled battery cases

DURABLE • RESPONSIBLE • INNOVATIVE

With ECOBLACK® TECHNOLOGY, we've redefined how valuable resources can be recovered and repurposed. At the core of this innovation lies a unique recycling process: empty and discarded battery housings - once considered hazardous waste - are carefully collected, processed, and transformed into a high-quality, robust plastic. This recycled material forms the structural framework of our cleaning trolleys and vacuum cleaners, giving new life to what would otherwise contribute to environmental pollution. By avoiding the use of virgin plastic and instead turning old battery casings into durable components, we not only reduce waste, but also significantly lower CO2 emissions. The ECOBLACK® line stands out with its exceptional durability, user-friendly design, and versatile product range tailored to various cleaning requirements. Every product in this line reflects our belief that sustainability and performance should go hand in hand.

**ECOBBLACK® is more than just a material -
it's our contribution to a circular economy and a cleaner planet.**

Recycled battery cases

ECO BLACK 45

Item-no.: EB45RC
Units: 2 Set's

- Black, robust plastic frame made from recycled materials
- All 4 wheels are smooth-running and swivel 360°
- 2 x 20 liter plastic buckets in black with handles in blue and red

PREMIUM-LINE DISPOSAL BAG

Material:	100% PES
Colour:	BLUE, GREEN, YELLOW, RED, GREY
Size:	760 x 1000 mm
Volume:	120 liter
Units:	25 pcs
Item-no.:	PLS120BL  PLS120GR  PLS120GE  PLS120RO  PLS120GU 

Ideal for waste separation in different areas!

Thanks to the specially developed seamless construction of the base, the disposal bag can be filled without worrying about unwanted tears. Thanks to its optimal dimensions and practical design, the disposal bag can be conveniently attached to cleaning trolleys and used for hygienic disposal during daily cleaning work. The bag is washable at 30-60° C, making it reusable and, compared to plastic bin liners, an environmentally friendly and economical aid that ensures tidiness and cleanliness.

Seamless base for
longer lifetime & no gaps

BORA 550 MEDICAL
