

SPARKBRIDGE MEDIA PLAYER

Upgrade Without Replacing

Bring your own display with Videri SparkBridge.

Not ready to upgrade your legacy displays to Videri Digital Canvases? No problem.

Leverage Videri's external media player and manage your content with publishing tools that keep content fresh, no matter the display type.

- Easily connect to any display through HDMI and tap into the Videri Platform, unleashing the power of the Videri across your entire fleet – Videri Canvas or not.
- Monitor the health and performance of your entire network of displays in one view.

	SparkBridge 	SparkBridge+ 
Meet the Videri SparkBridge Media Player	<p>SparkBridge gives you entry-level performance, ideal for managing basic video and image content, that fits anywhere - like the palm of your hand.</p> <p>With plastic housing and no mounting holes, SparkBridge's low clearance means it can easily be hidden behind the display.</p>	<p>SparkBridge+ brings higher performance and higher resolution to your digital content. 1U rack-mountable and ventilation holes, means it's ideal for large industrial, commercial settings.</p> <p>Requiring more clearance, it is typically installed near, but not behind the display.</p>
