PASTA TO GO

Want to start your own business with high-quality takeaway pasta cups? With the pasta and sauces from Smiling Cook, you can get started quickly.

All our pastas are fresh, 100% pre-cooked 'al dente', and individually quick frozen. The pasta doesn't stick together, and chefs can easily portion it out. Just briefly heat it in boiling water or directly in the microwave, and you'll always have perfectly 'al dente' pasta.

With our pasta-to-go concept, we offer a variety of pasta options and sauces, allowing you to effortlessly prepare meat-based, vegetarian, vegan, and gluten-free dishes. Discover our full range and make your pasta take-away a success.
