

CREATED OF LAVA STONE TO IMPRESS. SHAPED AND BUILT BY HAND TO RESIST.

High-End outdoor furniture and accessories created for hospitality environments where design, durability and operational simplicity matter equally.

10+ YEARS OUTDOOR

Designed to remain ouside season after season.

NO ANNUAL TREATMENT

No oiling, painting or protective surface care treatment.

POOL, SPA & COAST

Resistant to salty and chlorinated environments.

BUILT FOR POOLS, SPAS AND COASTAL LIFE

UNKNOWN NORDIC products are designed to thrive in demanding environments. Engeneered to withstand salt, chlorine and harsch coastal conditions, they are the perfect choice for pool, spas and seaside locations.

Our furniture requires no maintenance - only a wash when needed. This can even be done with a high pressure washer.

With their contemporary organic design and high-end craftsmanship, UNKNOWN NORDIC products deliver a unique combination of aesthetics, durability and effortless care - making them an excellent choice for the hospitality sector.
