Quality is a family matter!

Premium oils, vegetarian & vegan spreads, plant-based margarine and fine foods from Hamburg

Vitaquell – Clean Eating since 1922 – Plant-based nutrition rooted in family tradition.

For more than a century, Vitaquell has stood for plant-based nutrition that brings together enjoyment, health, and responsibility.
What began in the 17th century with a small oil mill and a small farm has grown into a tradition-rich, owner-managed family business in its fourth generation – firmly rooted in the heart of Hamburg. Guided by a passion for quality, sustainability, and honest plant-based foods.

Plant-based, palm-oil-free lard alternative for use in gastronomy, catering, care facilities, and large-scale kitchens. Suitable as a bread spread, for making filled baked goods, and for cooking, frying, and enhancing hot dishes.

Baking Ingredients

Organic Baking Cream Chili

Oat-almond base

15551

1 × 10kg bucket
13 buckets / layer
26 buckets per pal.

Baking Ingredients

Spicy, vegan baking cream for professional use in bakeries, gastronomy, and catering. It is suitable as a filling for savory baked goods such as Danish pastries, puff pastry, yeast-based items, and snack products. It is ideal for making savory pastries, snacks, and to-go products, as well as for enhancing the flavor of various baked goods. This cream is particularly suitable for vegan recipes and a diet free of animal-derived ingredients.

Organic Baking Cream Tomato

Oat-almond base

15555

1 × 1kg stick
6 sticks / case
12 cases / layer
96 cases/ pal.

12 cases / layer
96 cases/ pal.

Organic Baking Cream Vanilla

15546

1 × 1kg stick
6 sticks / case
12 cases / layer
96 cases/ pal.

Vegan baking cream for professional use in bakeries, pastry shops, as well as in gastronomy and catering. It is suitable as a filling for pastries such as croissants, Danish pastries, and yeast-based baked goods. It can be used for the preparation and enhancement of various baked products.

Baking Ingredients

Coconut Oil, virgin

10175

1 x 2 kg bucket
15 buckets / layer
60 buckets / pal.

Sauces

Organic Hollandaise

71558

1 × 3 kg bucket
15 buckets / layer
60 buckets / layer

Plant-based sauce for use in gastronomy, catering, and care or healthcare facilities. Particularly suitable as a classic accompaniment to asparagus, vegetables, potato dishes, and plant-based main components. Can be used to enhance casseroles, menu components, and hot dishes. Ideal for vegan meal plans and cholesterol-conscious diets.

Organic Béarnaise

71559

1 × 3 kg bucket
15 buckets / layer
60 buckets / layer

Vegan alternative to the classic Béarnaise sauce for professional use in large-scale kitchens, gastronomy, and care facilities. Ideal as a flavorful accompaniment to plant-based meat alternatives, vegetable dishes, potato specialties, and hot menu components. Suitable for enhancing the taste of various dishes and for vegan catering. Free from animal-derived ingredients and versatile in use.

B2B – Product manufacturing for customized solutions

Let's develop products together to meet your needs! We share our experience and expertise with you:

- Service and consulting from a single source
- In-house production
- Gentle processing and modern production technology
- Complete traceability of raw materials
- Strict internal quality management
- Our quality management is certified according to the IFS Global Markets Food Standard

Feel free to order samples to experience the taste and quality of our products.
